

Ayer's  
SARSAPARILLA.THE WORLD'S GREAT REMEDY FOR  
Scrofula and Scrofulous Diseases.From *Every State*, a well-known merchant of *Or-*  
*ford, Maine*."I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the  
cured effect and full satisfaction to those who took  
it. As fast as our people try it, they agree there has  
been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ul-

cers, Sores, and all Diseases of the Skin.

From *Rev. John Stoughton, Belfast, England*."I only do my duty to you and the public, when  
I add my testimony to that you publish of the  
national virtues of your SARSAPARILLA. My daugh-ter, aged ten, had an affecting humor in her ears,  
eyes, and hair for years, which we were unable to  
cure until we tried your SARSAPARILLA. She has  
been well for some months."From *Mrs. Jane F. Rice, a well-known and much-*  
*esteemed lady of Haverhill, Cape May Co., N. J.*"My daughter has suffered for a year past with a  
scrofulous eruption, which was very troublesome,  
nothing afforded any relief until we tried your  
SARSAPARILLA, which soon completely cured her."From *Charles P. Gage, Esq., of the City of New-*  
*York, and a member of the City of New York*"I had for several years a very troublesome  
humor in my face, which grew constantly worse  
until it disfigured my features and became an in-  
curable affliction. I tried almost every thing, and  
could of both advice and medicine, but without any  
effect whatever, until I took your SARSAPARILLA.  
It immediately made my face as smooth as a baby's,  
and I am without any symptoms of the disease that  
I know of. I enjoy perfect health, and without a  
doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the

Blood.

From *Dr. John Stoughton, Belfast, England*."I have used your SARSAPARILLA in my family,  
for general debility, and for purifying the blood,  
with very beneficial results, and feel confident in  
recommending it to the public."From *J. E. Johnston, Esq., of New York, Ohio*."For twelve years, I had the yellow Erysipelas  
on my right arm, during which time I tried all the  
celebrated physicians I could reach, and took hun-  
dreds of dollars worth of medicines. The doctors  
were so bad that the cords became visible, and the  
doctors decided that my arm must be amputated. I  
began taking your SARSAPARILLA. Took two bot-  
tles, and some of your PILLS. Together they have  
cured me. I am now as well and sound as any body,  
being in a public place, my cure is known to every  
body in this community, and excites the wonder of  
all."From *Rev. Henry Moore, M. P., of Newcastle,*  
*C. W., a leading member of the Canadian Parlia-*

ment.

"I have used your SARSAPARILLA in my family,  
for general debility, and for purifying the blood,  
with very beneficial results, and feel confident in  
recommending it to the public."From *Anthony's Fire, Roscoe, Salt Rheum,*  
*Scald Head, Scrofula.*From *Harvey S. S. S., Esq., the able editor of the*  
*Trunkhamm Democrat, Pennsylvania.*"Our only child, about three years of age, was  
attacked by pimples on his forehead. They rapidly  
spread until they formed a loathsome and virulent  
ore, which covered his face, and actually blinded  
the eye for some days. A skilled physician applied  
nitrate of silver and other remedies, without any  
apparent effect. For fifteen days we guarded his  
hands, lest with them he should touch his face,  
and having tried every thing else we had any  
hope from, we began giving your SARSAPARILLA,  
and applying the iodine of potash lotion, as you  
direct. The sore began to heal when we had given  
the first bottle, and was well when we had finished  
the second. The child's eyelashes, which had come  
out, grew again, and he is now as healthy and fair  
as any other. The whole neighborhood predicted  
that the child must die."

Syphilis and Mercurial Disease.

From *Dr. Hiram Stout, of St. Louis, Missouri.*"I find your SARSAPARILLA a more efficient  
remedy for the secondary symptoms of Syphilis,  
and for syphilis in general, than any other I know  
of. The preparation is indicated to you for some of the  
most incurable diseases."From *A. J. French, M. D., an eminent physician of*  
*Lawrence, Mass., who is a prominent member of*the *Legislature of Massachusetts.*"Dr. AYER. My dear Sir: I have found your  
SARSAPARILLA an excellent remedy for Syphilis,  
both of the primary and secondary type, and espe-  
cially in some cases that were too obstinate to yield  
to other remedies. I do not know what we can em-  
ploy with more certainty of success, where a power-  
ful alternative is required."From *Mr. Chas. S. Kimball, of New Brunswick, N. J.*"I had dreadful sores on my legs, caused by the abuse  
of mercury, or mercurial disease, which grew more  
and more aggravated for years, in spite of every  
remedy or treatment that could be applied, and it  
was the persevering use of AYER'S SARSAPARILLA  
which cured me. Few cases can be found more inveterate  
and distressing than this, and it took several dozen  
bottles to cure him."

Leucorrhoea, Whites, Female Weakness,

are generally produced by internal Scrofulous  
disorders, and are very often cured by the alterative  
effect of this SARSAPARILLA. Some cases, how-  
ever, in aid of the SARSAPARILLA, the skillful  
application of local remedies.From *the well-known and widely-celebrated Dr.*  
*Jacob Morrill, of Cincinnati.*"I have found your SARSAPARILLA an excellent  
alterative in diseases of females. Many cases of  
irregularity, Leucorrhoea, internal location, and  
local debility, arising from the scrofulous diathesis,  
have yielded to it, and there are few that do not,  
when its effect is properly aided by local treatment."A lady, unwilling to allow the publication of her  
name, writes:"My daughter and myself have been cured of a  
very debilitating Leucorrhoea of long standing, by  
two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dys-

pepsia, Heart Disease, Neuralgia,  
when caused by Scrofula in the system, are rapidly  
cured by this EXPR. SARSAPARILLA.

AYER'S

CATHARTIC PILLS

possess so many advantages over the other  
purgatives in the market, and their superior  
virtues are so universally known, that we need  
not do more than to assure the public their

has been, and that they may be depended on  
to do all that they have ever done.Prepared by J. C. AYER, M. D., & Co.,
